PDK INTERNATIONAL INSTITUTIONAL MEMBERSHIP APPLICATION

Why a membership in PDK? Review the benefits; you'll be convinced of the value of this global organization of quality educators.

Because we are your quality source for research. Meeting your need for the latest in research, theory, and practice, PDK brings you the Phi Delta Kappan (in paper copy, audio, or electronic version), the most referenced educational journal.

Because we provide connection. You can share experiences with other educators at the annual summit and at workshops.

Because our website hosts a comprehensive searchable archives database available 24 hours a day. With a PDK membership, you have access to a

broad publication archive AND 40 years of results from the Annual PDK/Gallup Polls of the Public's Attitudes Toward the Public Schools. Results from these Gallup Polls are available at no extra cost.

Because educators need practical resources. PDK's quick-read e-bulletins offer classroom tips, summaries for informed administrators, and the latest information for the education practitioner — most are available for redistribution without copyright infringement. Take them, use them, love them.

Institutional membership is available to a single or collective for-profit or nonprofit agency that supports the mission and purpose of PDK. The purpose of PDK International is to promote quality education, in particular publicly supported education, as essential to the development and maintenance of a democratic way of life. Completing this application indicates your support of this purpose.
